Autumn 2020: Women, Theology and the Church

The aim of this series is to give us a chance to hear from and about the 'other voices' in the life of the Church that can sometimes be obscured. In the autumn, we will focus on women in the theology and life of the Church and in the spring, the place of disability alongside the ministry and theology of healing in the Christian tradition.

The programme is held in the Parish Centre Hall from 9.30 - 10.00am
